To switch to the english version of »HMT Campus« just use the language window in the bottom right corner.

Via https://campus.hmt-leipzig.de/ you reach the start page of the "HMT Campus".

There you log in with your **user name** and **password**, which you already use for the other services of the university (email, moodle, etc.).

On the homepage of the portal you will find an overview of the services available to you.

To make access easier for you, we have placed the most important fields as tiles on the start page.

On the home page you will also find the field "My reports". Here you will be informed of important information and status changes.

Via the menu item **Studie offered** you can apply for another degree program during the relevant **application period**.

This will take you directly to the application portal, which you may already be familiar with.

## User information

The menu item User Information is secondary for your studies.

Here you can:

- Set your default role in "HMT Campus" (you usually only have the role Student).
- and manage your devices.

This is only relevant if you want to authorise multiple devices with automatic log-ins.
